vii. Any other work assigned on environmental aspects.

Application Procedure for the posts of Consultants and Project Scientist-III:-

a. The entire application procedure is in physical mode. The duly Completed application in the prescribed format should be submitted/ sent by post in the prescribed format to the **Under Secretary (Establishment), Ministry of Earth Sciences, Prithvi Bhawan, Lodhi Road, New Delhi - 110003**

b. Copies of certificates in support of educational qualifications, date of birth, experience, no objection certificates (from present employer, if working), should be enclosed with the application. Production of the original certificates is a must while appearing for interview. Applications submitted without copies of the relevant certificates, signature and passport size photograph will be rejected in the screening process itself. The certificates should be clearly visible and readable.

c. Any discrepancies found in the certificates will attract the disqualification of applications. Non-production of the original certificates will also make the candidate disqualified. The disqualified candidates will not be allowed for interview. Candidates currently working in any other organization need to provide proof of their current employment with a service certificate from the employer / latest pay slip etc. Appointment orders / resumes will not be considered as proof of current employment. In addition the experience certificates should clearly show the date of joining and the date of resignation. In case the screening committee is unable to get the documentary evidence for the number of years of experience claimed by the candidate such periods of experience will be considered as NIL.

d. The candidates presently working in Central Govt./State Govt./ PSUs/ Autonomous Bodies/Universities etc. are required to provide No Objection/cadre clearance from their current employer at the time of interview. The current employer will also certify their Vigilance Clearance and Integrity.

e. Incomplete applications in any respect are liable to be rejected summarily. No representation against such rejection will be entertained.

f. Canvassing in any form will be a disqualification.

between the residence and the place of work shall be allowed not exceeding the rate applicable to the appointee at the time of retirement. The amount so fixed shall remain unchanged during the term of engagement.

Working Hours:

The Consultant shall have to work as per the working hours of the MoES(HQ) New Delhi. However, depending on the exigency of work, one may be required to come early or sit late to complete the time-bound work or attend office on holidays. No extra remuneration or fee would be payable if work requires late sitting or coming on holidays. The Consultants will be required to mark his attendance.

ESSENTIAL EXPERIENCE

Seven Years' experience of teaching (at graduate or post-graduate level), research and development, administration, planning and supervision in relevant field.

DESIRABLE:

- (i) Doctorate Degree in a branch of Science or equivalent related to Environment or Chemistry;
- (ii) Experience in environmental impact assessment and monitoring, planning and management;
- (iii) Experience of working in polar region.

JOB RESPONSIBILITIES:

- i. To assist the CAG-EP on the Antarctic Treaty, Protocol on Environmental protection to the Antarctic Treaty and Convention on Conservation of Antarctic Marine Living Resources and its provisions on environmental aspects.
- ii. Implementation of the Indian Antarctic Act, 2022 (IAA, 2022) and the Indian Antarctic Environmental Protection Rules, 2023 (IAEPR, 2023) to the Indian Expedition to Antarctica about environmental aspects.
- iii. To review the applications for permits and post-visit reports according to the Antarctic statute and its various provisions
- iv. Preparation of the annual report and other documents as well as management plan as required under the issuance of permit.
- v. Maintaining the Permit related documents.

Clearance and Integrity.

- e. Incomplete applications in any respect are liable to be rejected summarily. No representation against such rejection will be entertained.
- f. Canvassing in any form will be a disqualification.

The advertisement is also available on the website of Ministry of Earth Sciences i.e. www.moes.gov.in.

Selection Procedure:

The prescribed essential qualifications are minimum requirements and the mere possession of the same does not entitle candidates to be called for an interview. If the number of applications, received in response to the advertisement are large, it will not be convenient or possible to call all candidates for an interview. Hence, Ministry may restrict the number of candidates to be called for interview before the Selection Board to the reasonable limit through the screening process.

The criteria for screening of the applications will be based on candidates qualifying credentials against the essential requirements specified below:

- a. Date of birth,
- b. Completeness of the application in terms of providing accurate details and submission of the passport size photograph and copies of the marks list, academic and experience certificates, signature,
- c. Essential experience,
- d. Desirable qualification and experience as specified above.
- e. Consistent academic performance at one or more levels etc. The candidate's experience certificates should clearly specify whether they possess the experience/knowledge/skills/technology/software platform requested in the essential/desirable experience requirements against the post. The benchmark for screening the applications will be set by a committee constituted to screen the applications. The final selection of the Screened-in candidates will be based on the candidate's performance before the Selection Board. No correspondence will be entertained with candidates who are not called for interview/selected for appointment.
