VACANCY NOTICE

ONE LABORATORY TECHNICIAN POSITION AVAILABLE

ONE position for Laboratory Technician is available in the Systems Biology for Biofuel Group, ICGEB, New Delhi, for a DBT-sponsored project titled “**Indigenous cyanobacteria for value-added carbon capture, utilization and storage (Cy-CCUS)**”.

Duration: The position is available initially for 1 year and is extendable, subject to satisfactory performance and fund availability. The maximum project duration is 2 years.

Job description: The selected candidate will assist lab members in conducting research related to the project objectives. Other responsibilities include:

- Preparing media, reagents, and other solutions.
- Placing and tracking orders for required chemicals.
- Monitoring of photobioreactor(s).
- Assist the project RA.
- Any other routine lab work.

Qualifications: The incumbent should have a B.Sc. in Natural/ Agricultural Sciences/ Biotechnology from a recognized University or equivalent. Preference will be given to candidates with prior experience working in a biotechnology or biology lab and in the operation of bioreactors.

Salary: The salary and HRA for the position will be per DBT norms, based on qualifications and experience.

Interested candidates should email their latest curriculum vitae and a cover letter mentioning pertinent skills to Dr. Shireesh Srivastava at shireesh@icgeb.res.in with the subject “Application for Laboratory Technician”.

Closing date for applications: **20th May 2026**. Only short-listed candidates will be contacted for an interview.
