CIN : U32109DL1974GOI007325

Central Electronics Limited, a Mini Ratna CPSE, is a Govt of India Enterprise under Department of Scientific & Industrial Research (DSIR), Ministry of Science & Technology. It was established in 1974 with an objective to commercially exploit the indigenous technologies developed by National Laboratories and R&D Institutions in the country. CEL has developed a number of products for the first time in the country through its own R&D efforts and in close association with the premier National Laboratories including Defence Laboratories.

Currently, CEL operates in four prime business verticals, viz. Solar Photovoltaic (SPV), Railway Business, Defence Business and Integrated Solutions Division. Based on short term and long term goals of CEL, the aim is to increase market presence across multiple regions in India and to have a quantum leap in turnover and profit of the company in the coming years. In order to achieve the same, we need highly skilled, experienced and work oriented individuals. Accordingly, CEL invites application from Indian nationals with matching skills, experience and endurance for the following posts:
