No. L/PR/367/2026

Dated: 20/09/2026

NOTIFICATION

Attention: All Head of the Institutions, Examination Personnel and
Examinees of Semester III of Higher Secondary Examination, 2027

It is well known that the Council has revised the date / and or time of the routine of Semester III of Higher Secondary Examination, 2027 on two occasions due to some unavoidable circumstances. Accordingly, the revised admit card of the examinees has been issued online and the respective Head of the Institutions were requested to hand over the same to their students before appearing in the examination.

Now, with the apprehension that some of the examinees may not be able to collect the latest revised admit cards from their respective institutions in time due to some reason(s), the Council is hereby allowing the examinees to appear in Semester III of Higher Secondary Examination, 2027 by producing any one of the admit cards of the mentioned examination issued by the Council through online portal.

Here, the examination personnel are requested to verify the registration certificate of the examinees, if any examinee brings either of the previous two admit cards (i.e. other than the latest admit card) for appearing in the examination. In all such cases, the Head of Institutions are advised to hand over the latest revised admit cards to their students as soon as possible to avoid any litigation or inconvenience in future.
